In this agreement, the “**School**” means the Southern Avenue Charter School, Inc. “**You**” and “**your**” means the parent/guardian of a student(s) enrolled in the School. “**Device**” means a laptop, tablet, hotspot, and/or router (if received). The “**Property**” is the Device, together with a charging cable, accessories and any related equipment owned by the School and assigned to the student.

You acknowledge receipt of the Property identified with serial and/or asset number(s) assigned in the asset management system.

Policy Compliance: You agree that, when using the Device whether on or off School property, you will only use the Device for school and educational purposes and in compliance with the Student and Parent Handbook and all other School Policies.

Specifically, and without limitation, you agree that you will not use the Device to engage in inappropriate behavior online, and/or to create, access, or transmit information that is obscene or vulgar, that advocates dangerous or illegal acts, or that advocates violence, bullying, or hatred toward any group. Any failure to comply with the Student and Parent Handbook, other School Policies, or this Agreement may result in immediate termination of your rights of possession, and the School may repossess the Property at its discretion.

Title to Property: Legal title to the Property is vested in the School and shall at all times remain in the name of the School. Your right of possession and use is limited to and conditioned upon your full and complete compliance with this Agreement and with all other School Policies.

Care of the Property: You are responsible for care and maintenance of the Property, and you agree you will properly care for and maintain the Property and will follow all guidance provided in the Student and Parent Handbook, including without limitation to keeping the Property away from liquids, extreme heat or cold, direct sunlight, and small children and pets, and refraining from placing labels or stickers on the Property. You agree that the Property will remain in your possession or stored in a secure location at all times.

Device Usage Fee: You agree and acknowledge that you will pay a **\$25.00** computer usage fee, upon receipt of the device.

No Alteration of Device: You agree that you will not reconfigure the Device or alter or remove existing hardware or software on the Device, including security or monitoring programs. You further agree you will not install unauthorized software or download unauthorized files, including games, programs, or other electronic media. You agree to comply with all applicable laws, including without limitation copyright laws.

Monitoring of Device: You acknowledge and agree that the School has the right to review, monitor, and restrict at any time information stored on or transmitted with the Device and to investigate suspected inappropriate use and/or violation of any School Policies. You should maintain at least a 30-day web browsing history and should not disable the browsing history for any reason. You have no expectation of privacy in connection with the use of the Device, including anything created, stored, sent, deleted, received, or displayed when using the Device.

You further agree that the School has the right to, but is not obligated to, review, monitor, and restrict the use of the Device, inside, and outside of the School's networks. The School is not responsible for any access to material in violation of any laws (local, national, or otherwise).

Loss or Damage: If the Property is lost, stolen, damaged, or destroyed, you are responsible for the cost of replacement or its fair market value on the date of loss. You must report loss, theft, damage, or destruction of the Property to the School within 24 hours after the occurrence. In the event the Property is stolen, you must file a police report and provide the report number to the School within 24 hours. You must not attempt to disassemble or repair the Property.

A police report must be filed for all lost or stolen devices. The parent/guardian is responsible for the full replacement cost of the device. Non-payment of the cost of the device or fees could result in record holds for students seeking a transfer or grades.

Graduating students must pay all fees incurred as a result of lost, stolen, damaged, or destroyed Property before participating in graduation ceremonies.

Possession Period: You have the right to use and possess the Property through **May 27, 2022**, (the "Possession Period"). At the end of the Possession Period or upon request, you are required to return the Property to the School by the date and time designated by the School and the IT Department.

Rights on Default: If you do not fully comply with all terms of this Agreement and other School Policies, including the timely return of the Property, the School shall be entitled to declare you in default and take any and all measures reasonably necessary to take possession of the Property.

Appropriation: Your failure to return the Property in a timely manner and the continued use of it for non-school purposes without the School's consent may be considered unlawful appropriation of the School's Property.

Consent: The student's parent/guardian expressly consents to the student's assignment and receipt of the Property as described herein and consents to the disclosure of the student's education records, including the student's name, email address, coursework, course, birthdate, grade level, and grades, to service providers, including, but not limited to, Grade Results, Inc., through software and/or applications loaded on the Property for the purpose of facilitating the student's online access to educational resources. The consent stated herein shall continue unless expressly withdrawn in writing.

I, the undersigned parent/guardian, acknowledge that I have reviewed and understand the terms and conditions of this Student Electronic Device User Agreement, including the Student and Parent Handbook and other School Policies, and agree to the terms and conditions contained in this agreement.
