Newline 750Q 4K LED 4K Multi-Touch Display w/ USB Type-C	Newline Q Series, a high performance solution for classrooms. The Q Series redefines education with an immersive audio-visual experience. No matter where you sit, the 4K display provides a crystal clear image and a 178° viewing angle. Embedded 20W speakers deliver clear audio throughout the classroom. Start class faster with the plug and play design of Q Series. Plug in your laptop through the USB Type-C cable and get class started, all while the Q Series keeps your laptop charged. A built-in Wi-Fi 6 module offers greater connectivity for securely connecting up to 30 devices. With an embedded Android 11 OS, Q Series is secure and allows for customization with user profiles. Combined with the Newline App Store, download your favorite apps right to the panel, including educational gaming, G-Suite, or videoconferencing apps like Zoom or Teams for hybrid learning. Build a dynamic and engaging learning environment in your classroom with the Q Series	13.00
