RE: MASK UPDATED GUIDELINES
DATE: FRIDAY, MARCH 10,, 2023

Dear Southern Avenue Parents, Faculty, & Staff,

Southern Avenue is committed to keeping scholars, faculty, and staff safe. At the height of the Covid -19 pandemic, SACS implemented several safety measures to minimize the spread. We will continue to have hand sanitizing stations across the campus, provide individual water bottles (water fountains inoperable) to scholars, learning environments supplied with disinfectant spray & wipes, and continue with good hand washing techniques. The environmental team will continue the daily sanitizing wipe downs of classrooms. We will continue the sick room for scholars not feeling well. The school nurse or health worker will monitor the scholars not feeling well and contact the parent. SACS employees are required to be fully vaccinated.

At the moment we will discontinue the use of masks while on campus or school related activities/events. If the CDC or Shelby County Health Department advise otherwise, or there is a spike in numbers pertaining to Covid-19; SACS will implement the mask mandate. After Spring Break scholars may opt out of masks with the parent's consent. If you want your child to remain in a mask please complete the bottom portion and return to school.

Please continue to monitor symptoms, and communicate with Mrs. Pace if the scholar is absent due to Covid exposure or a positive Covid-19 results. Let's work together to keep each other safe and healthy.
