<b>Newline 750Q 4K LED 4K Multi-Touch Display w/ USB Type-C</b> Newline Q Series, a high performance solution for classrooms. The Q Series redefines education with an immersive audio-visual experience. No matter where you sit, the 4K display provides a crystal clear image and a 178° viewing angle. Embedded 20W speakers deliver clear audio throughout the classroom. Start class faster with the plug and play design of Q Series. Plug in your laptop through the USB Type-C cable and get class started, all while the Q Series keeps your laptop charged. A built-in Wi-Fi 6 module offers greater connectivity for securely connecting up to 30 devices. With an embedded Android 11 OS, Q Series is secure and allows for customization with user profiles. Combined with the Newline App Store, download your favorite apps right to the panel, including educational gaming, G-Suite, or videoconferencing apps like Zoom or Teams for hybrid learning. To whom it may concern,

The faculty of Southern Avenue Charter School in Memphis, TN participated in two total training sessions for their Newline Interactive Q Series displays on Thursday, July 27, 2023, and Friday, July 28, 2023. Each session was one hour in length and was hosted by Newline Training Specialist, Alexis Bell-Hensley ([abellhensley@newline-interactive.com](mailto:abellhensley@newline-interactive.com)). We thank them for their dedication to continued learning and their engagement with their interactive displays! If you have any questions, please contact Alexis at the above-listed email address.

Best,

The Newline Interactive Training Team
