Intervention Program

SACS offers an unique intervention program. Scholars are tested 3 times a year, and provided small group or 1:1 tutoring from a highly qualified educator. Scholars that qualify for additional support are provided research based interventions during the school operating hours. All scholars will receive grade level tutoring from the classroom teacher for at least 30 minutes or a computer based program.

Popcorn Reading Program

This oral reading classroom program increases the scholars reading comprehension.

5th Grade Academy

This program makes the transition from elementary school to middle school easier for our students.

Classroom Libraries, Art & Learning Centers

Honor Society

Southern Avenue Charter Elementary is a part of the Memphis Airport District for over 18+ years. We have earned several rewards and recognitions during this tenure. COME Join the SACS Community!
